Sir,

V'
I have the honour to state that the revised estimate costing Rs 4,406/- for installing a pumping set at Ludigere was sanctioned in G O No L 1575-7/M 76-41-4 dated 4th August 1942. The Sanitary Engineer, Bureau of Sanitary Engineering, has sent a supplemental estimate for Rs 558/- stating that provision at 12½ % on the cost of the estimate towards establishment, tool and Plant charges was omitted to be included in the original estimate.

The Minor Municipal Council, Ludigere, have resolved at their meeting held on 29-4-43 that a sum of Rs 279/- being the moiety of the cost on this account may be met out of the closing balance of the Municipality. The balance will have to be met out of the funds of the Public Works Department or the Town Improvement grants.

In enclosing herein, the estimate and the copy of the resolution of the Municipal Council, I request that sanction of Government may be kindly obtained for the proposal of the Ludigere Municipal Council, to incur an expenditure of Rs 279/- out of the closing balance and further request that the balance of expenditure may be met out of the town improvement grant for next year.

I have the honour to be,
Sir,
